YOUR CLEMEXCARE ADVANTAGES

STAY UPDATED, STAY AHEAD

Receive all minor and major software updates free for one year, keeping your system optimized and secure.

FAST-TRACK PROBLEM RESOLUTION

With the latest software version, we can quickly identify and address your system's issues, minimizing downtime and enhancing productivity.

COST SAVINGS

Enjoy waived ticket fees for a year, avoiding regular charges and ensuring your problems are resolved without unexpected expenses.

APPLICATION-SPECIFIC COACHING

Tailored Guidance: our specialists are ready to expand your proficiency with advanced functionalities, building on your foundational knowledge for maximized software utilization.

HARDWARE DIAGNOSTICS: ENSURING RELIABILITY

Troubleshooting: remote diagnostics are included free of charge. Only on-site diagnostics and repairs are charges, making maintenance easier and more affordable.

TECHNICAL SUPPORT LIKE NO OTHER

Priority Support: Immediate access to technical assistance during normal business hours, ensuring your queries are front and center.

Remote Assistance: Utilizing Teams or TeamViewer, our Application Specialists can directly access your Clemex software to diagnose and solve issues swiftly, saving you time and hassle.
